Stage 2 - Evidence	
Evaluative Criteria	Assessment Evidence
<ul style="list-style-type: none"> • Think, Pair, Share • Exit Ticket • Mind Map (Concept Map) • Inquiry Log of gathering process • Inquiry Circles (observe students conversation on how they located the information within the source) • Evaluation Form (graphic organizer) • Performance Task: Works Cited Page 	<p>Inquiry logs Mind Maps Works Cited Page Graphic Organizer Conversations students have Understanding vocabulary Oral answers to Essential Questions Demonstrate understanding of elements of a lesson plan</p>

Stage 3 – Learning Plan

Code		Key Learning Events and Instruction			
Library Information Concept	Grade Level K	Competencies What students should be able to do; key skills			
Locating a source of information (with adult assistance)	K	Locating information sources within the Neighborhoods in the library (E, Easy NF)			
Locating Information within a Source	K	Gather evidence from provided text sources (with adult assistance)			
Note Taking	K	Document research with pictures or words (with adult assistance)			
Select appropriate sources	K	Determine appropriateness of a source (with adult assistance)			
Cite Sources	K	Cite Title and page number. (with adult assistance.)			
Locating a source of information (with adult assistance)	1	Locating <i>information sources (fiction and nonfiction)</i>			
Locating Information within a Source	1	(with adult assistance) TOC, alphabetized index,			
Note Taking	1	Gather evidence from a variety of sources including print and non-print sources using visual formats (with adult assistance)			
Select appropriate sources	1	Determine appropriateness of a source (with adult assistance)			
Cite Sources	1	Use approved format to document sources with adult assistance (Title, Author, page)			
Locating a source of information	2	Locating <i>information sources</i> OPAC searching Kid's Catalog Library Expectations			
Locating a source of	2	Alphabetical order in the E section			

information					
Locating Information within a Source	2	Use format features of sources to locate information – text features, etc. (alphabetized index, headings). Introduce dictionary.			
Note Taking	2	Document research with graphic organizers (or Thinking Maps)			
Select appropriate sources	2	Determine appropriateness of a source			
Cite Sources	2	Use approved format to document sources with adult assistance (Title, Author, Publisher, page)			
Locating a source of information	3	Locating information sources using multiple sources of information including visual sources such as maps, timelines, graphs when appropriate			
Locating a source of information	3	Locate information sources such as reference texts via the Dewey Decimal System and Pebble Go			
Locating information within a source	3	Locating information sources – text features (bold print, captions, italics)			
Select appropriate sources	3	Determine appropriate resources for reliability.			
Note Taking	3	Use skimming/scanning techniques to identify data (Trash/Treasure) http://youtu.be/78YIrYqEmnQ			
Note Taking	3	Differentiate between paraphrasing and plagiarism			
Locating a source of information	4	Locating information sources using multiple sources of information including oral sources such as surveys, interviews, observation when appropriate			
Locating a source of information	4	Location information sources and reference texts such as online encyclopedias, almanacs, thesaurus, atlases, Kid's InfoBits.			
Locating Information within a Source	4	Locating information using keyword searching (basic Internet search skills)			
Note Taking	4	Take simplified notes using the modified Cornell Note taking form.			

Select appropriate sources	4				
Cite Sources	4	Use approved format to document sources with adult assistance (Title, Author, Publisher, publication year page)			
Locating a source of information	5	Locating information sources using multiple sources of information from a range of print and electronic resources (i.e. reference texts, periodicals, web pages, online sources) and data from experts.			
Locating a source of information	5	Location information sources and reference texts such as Searchasaurus and differentiate between primary and secondary sources.			
Note Taking	5	Differentiate between paraphrasing and plagiarism			
Note Taking	5	Take simplified notes using the modified Cornell Note taking form.			
Cite Sources	5	Identify sources of notes and record bibliographic information in MLA format.			
Cite Sources	5	Use approved format to document sources with adult assistance (Title, Author, Publisher, publication year page)
